

PRODUCT INFORMATION SHEET

Workshop seat

Product description

A workshop seat is a practical solution for people working in workshops, garages and other places where comfort during work is important. Mobile wheels allow for easy movement around the workshop. There is a storage space under the seat, separated by functional compartments.

Characteristics

- durable construction made of metal;
- maximum load: 130 kg;
- 4 swivel wheels;
- equipped with partitions dividing the storage space into 3 surfaces;
- oil resistant vinyl seat.
