Flashlight

Product description

Multifunctional rechargeable mini LED torch with a nominal light output of 580 lm and 7 light modes:
1. cold colour 580 lm.
2. cold colour 270 lm.
3. warm colour 400 lm.
4. warm colour 130 lm.
5. Red continuous.
6. red, warning, flashing.
7. turbo, 900 lm.

It illuminates a large area, thanks to its wide angle of illumination.
A powerful magnet allows the mini torch to be mounted on any metal surface, freeing up your hands for work.
The tiltable stand means that the torch can be used and positioned wherever it is needed.
Thanks to the carabiner, it can be used as a key ring, clipped to clothing, a backpack or any other object, playing a warning or lighting role.
It also has a practical bottle opener for capped bottles.
The built-in 500 mAh battery provides the torch with a long burn time, up to a maximum of 6 hours.
The torch is conveniently rechargeable, with a universal USB-C cable that can be connected to a laptop, charger or phone, for example.
The LED indicator shows the state of charge of the battery.

Characteristics

Light modes/light output/operation time:
1. cold colour max/ 580 lm/ 1-1.5 h.
2. Cold colour medium/ 270 lm/ 2-2.5 h.
3. warm colour max/ 400 lm/ 1.5 h.
4. warm colour medium/ 130 lm/ 3.5-4 h.
5. red continuous / - / 6 h.
6. red flashing / - / 6 h.
7. boost/ 900 lm/ 0.5 h.
Battery capacity 500 mAh.
Charging time: 3 h
Charging: USB-C cable, included in the kit.
Housing material: ABS + aluminium + PC.
Weight: 39 g.
Dimensions: 43x20x59 mm
