

PRODUCT INFORMATION SHEET

MILA insulated warning jacket orange M (50)

Product description

The MILA warning jacket has been designed for workers performing duties in low visibility conditions and exposed to cold and wet conditions. The OXFORD 300D upper fabric with PU coating and bonded seams effectively protect against wetness, while the insulation provides thermal comfort. A detachable hood and zipped pockets increase functionality, while printed reflective strips enhance safety. Elastic cuffs with thumbhole provide an additional barrier against the cold. Model recommended for drivers, road users and users working outdoors.

Characteristics

- fabric: **OXFORD 300D** polyester with PU coating;
