

PRODUCT INFORMATION SHEET

AMOS insulated jacket with hood black S (48)

Product description

Insulated jacket AMOS is a functional outerwear designed for users working in colder weather conditions. Dedicated to drivers, light industrial workers and all-round customers, it combines comfort with robust thermal protection. Flexible mechanical stretch material enhances comfort, while a detachable hood and waterproof zips add to the jacket's functionality. Taped seams ensure durability and resistance to heavy use in wet and windy environments.

Characteristics

- fabric: **100% polyester** mechanical stretch with TPU coating.
